Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for a Biorepository Expansion in fiscal year 2023. The entity to receive funding for this project is MRIGlobal, located at 1222 Ozark St, North Kansas City, MO, 64116. The funding would be used to expand MRIGlobal's capacity to store and manage research samples and thereby facilitate further research on medical treatment and diagnostic solutions, positively impacting public health and creating new opportunities for high-paying jobs. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Member of Congress
